Richard is an experienced professional focused on patent and intellectual property management. He has held key roles in preparing and filing patent-related documents, conducting patent searches, and assessing data quality to improve client reporting. His ability to manage patent correspondence showcases his dedication to process improvement and meticulous execution.

Prior to ArentFox Schiff, Richard was a Patent Specialist and was integral to the preparation and filing of patent-related documents with the USPTO. He conducted patent searches utilizing both firm-subscribed databases and public resources, assembling filing packages, and overseeing foreign filings to contribute to maximum efficiency.

Certifications

- Data Science & Computation Society (DSCS-GMU)
- Google Data Analytics Certificate (2022)

Life Beyond the Law

Outside of work, Richard enjoys being active by playing soccer and volleyball. He is very passionate about his favorite soccer team Real Madrid.
